*In all things, we give thanks!*

**We're celebrating 75 years in 2019!**

Visit our Website ([glcc.org](http://glcc.org)) and click on the Meetings & Events tab. Select '75th Anniversary' from the dropdown menu for details and the opportunity to tell us your Green Lake story!

# GREEN LAKE CONFERENCE CENTER

**We praise God for doing infinitely more than we hope or imagine!**

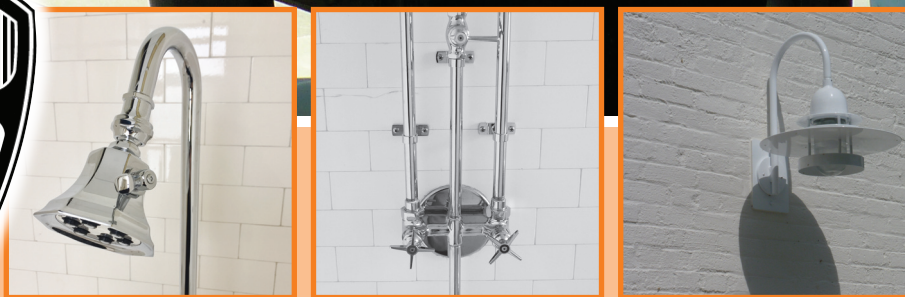

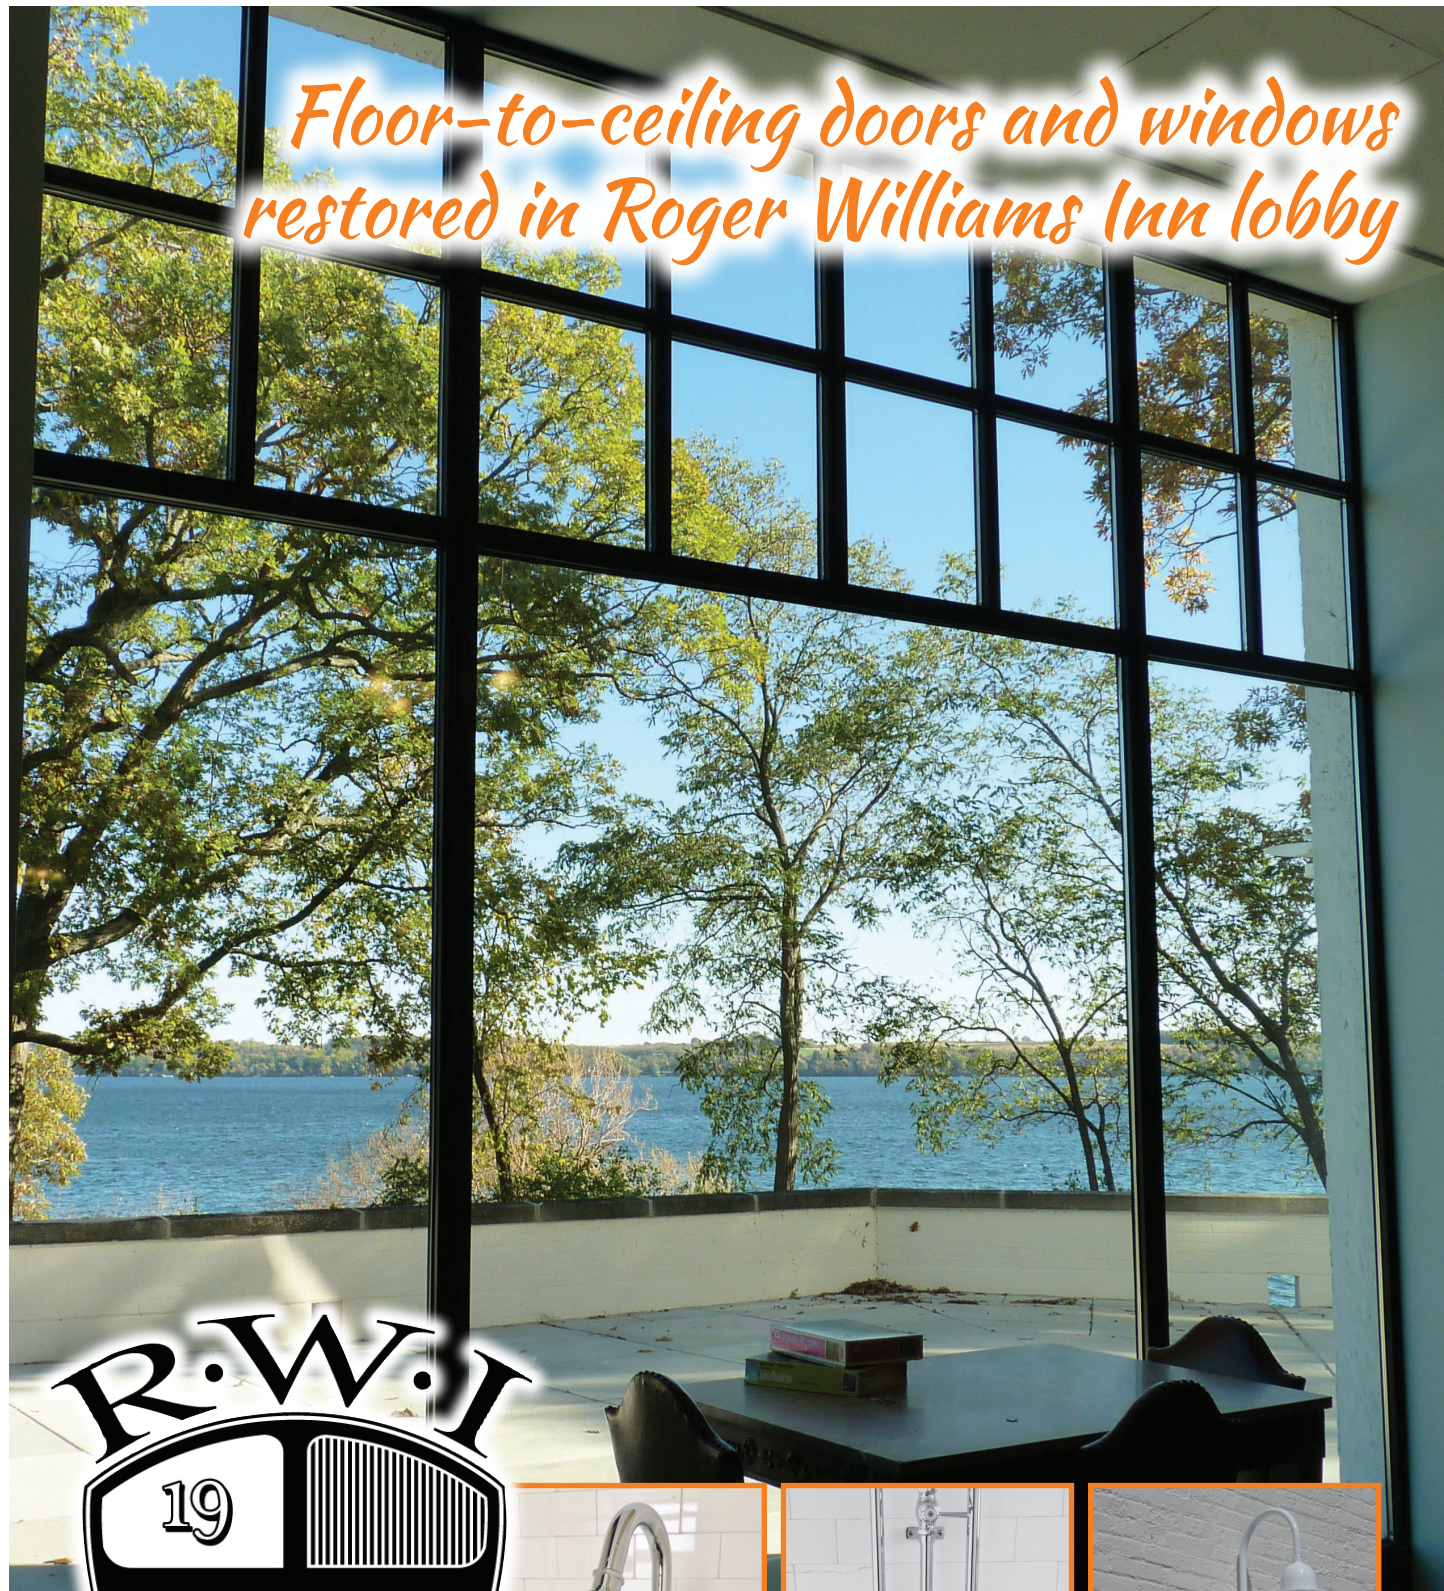

As we wrap up the largest 12-month period of renovations in our history, we think of Ephesians 3:20 and are grateful for you! Your donations funded \$1.1 of the \$1.45 million spent in the last 12 months on property improvements. Hundreds of hours of voluntary labour and our amazing staff and contractors using ingenuity, craftsmanship and tenacity have improved Green Lake Conference Center, the place and space for people to find God's better version of themselves and their world.

*Lakeview Meeting Room transformed into Staughton Hall*

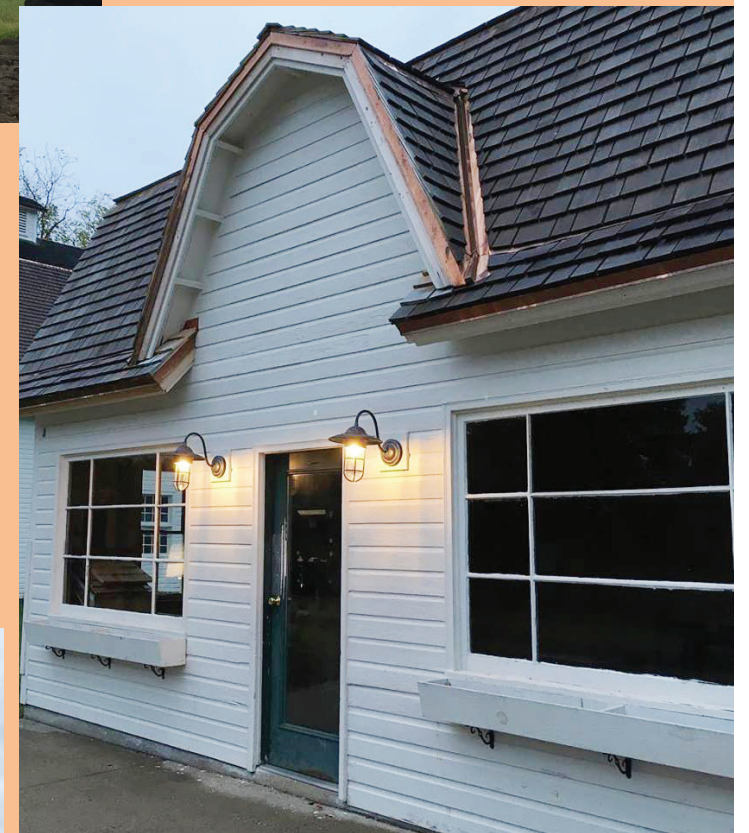

*Floor-to-ceiling doors and windows restored in Roger Williams Inn lobby*

**New plumbing lines and fixtures installed in Roger Williams Inn; lighting replaced on the back patio**

*Roofs on barns near front entrance beautifully restored with cedar shingles*

**Huge Palladian doors, 800 lbs each, were carefully removed from the Combination Barn, built in 1913 by the Lawsons. The doors were taken to the shop of a Green Lake craftsman for restoration.**
